OFFICE OF LEGISLATIVE COUNSEL

Thursday - 17 December 1970

1. (Unclassified - GLC) [REDACTED] Office of Personnel, 25X1A
called to advise us they had received a call from the Civil Service
Commission about a letter the Commission had received from Senator
James B. Pearson (R., Kans.) on a CIARDS retirement appeal by [REDACTED] X1A
[REDACTED] Civil Service is sending Pearson's letter to Personnel and
they will be in touch with us further when it is received.

2. (Secret - JGO) After consultation with [REDACTED] and 25X1A
[REDACTED] of OPPB, I met with Mr. Ralph Preston, House Appropria-
tions Committee staff, and gave him a draft letter to OMB for use by
the Chairman. Mr. Preston expressed his appreciation for the quick
response to his call of this morning. While I was with Mr. Preston,
I also briefed him on Soviet ICBM deployment, ChiCom missile test,
North Vietnamese troop infiltration, and Cienfuegos.

3. (Internal Use Only - JGO) I talked to Mr. Brenneman,
OMB, who told me that the agency reports on H.R. 19649, authorizing
a telecommunications study of the assignment of radio frequencies,
have not all been received. There is a sufficient number, however,
to indicate the need, if possible, to get the reports back to the sub-
mitting agencies before the close of this session. He feels he should
wait, however, until the reports expected from Justice and Defense
are received.

4. (Unclassified - LLM) Called Earl Voss, in the office of
Senator Robert P. Griffin (R., Mich.), and told him that so far we have
not received any [REDACTED] response to the Senator's prisoner
of war initiative. Voss appreciated this followup. I said we would, of
course, send the items in which he was interested if and when they are
received.
